Lot owners agree to pay for and install city approved sidewalks within one (1) year after receiving title to a lot. Lot owners

ARTICLE II

Approval of Plans

1. The Association will act as the Architectural Control Committee, to which detailed plans and specifications ("Plans") for structures and other improvements (including, but not limited to, basements, swimming pools, ancillary structures, tennis courts, fences, decorative walls, bridges, dams, driveways, hedges and other enclosures) must be submitted for examination and approval before any erection of improvements shall be made upon any lot and before additions, changes or alterations may be made to any structure or other improvement then situated on a lot. The aforesaid Plans shall show the size, location, type, architectural design, quality, cost, use, material construction, color scheme, site plan, lot grading plan and the finished

grade elevation thereof and such plans must be prepared by a competent architect or draftsman. At least two (2) copies of such Plans must be furnished to the Architectural Control Committee, so that the Architectural Control Committee may retain a true copy thereof for its records. Should the Association wish to delegate this task, they may appoint two nominees who serve one (1) year terms as the Architectural Control Committee. Such positions would be up for renewal appointments at each year's Association Board's annual meeting.

2. In requiring the submission of Plans as herein set forth, the Association has in mind the development of Ironwood as an architecturally harmonious, artistic and desirable residential subdivision. In approving or withholding its approval of any Plans so submitted, the Architectural Control Committee may consider the appropriateness of the improvement contemplated in relation to improvements on contiguous or adjacent lots, its artistic and architectural merits, its adaptability to the lot on which it is proposed to be constructed and such other matters as may be deemed to be in the interest and benefit of the owners of lots in Ironwood as a whole. Any determination made by the said Architectural Control Committee, in good faith, shall be binding on all parties in interest.

3. The Association or said appointees, acting as the Architectural Control Committee, reserves the sole and exclusive right to establish grades and slopes of lots and to require a change of the grade at which any building or structure shall hereinafter be erected or placed thereon, so that the same may conform to a general plan for the development and use of Ironwood. All lot owners shall adhere to said grading plan.

4. In all instances where Plans are required to be submitted to and approved by the Architectural Control Committee if, subsequent to receiving such approval, there shall be any variance from the approved Plans in the actual construction or location of the improvement without the prior written consent of the Architectural Control Committee, such variances shall be deemed a violation of this Declaration.

ARTICLE III

Ironwood Homeowners' Association, Inc.

1. The Ironwood Homeowners' Association, Inc. (incorporated as a non-profit corporation under the laws of the State of Ohio, operated by an elected Board from among Ironwood property owners, and hereinafter referred to as "Association"), was formed after the sales of 75% of the total number of lots within Ironwood to persons or entities other than the original Developer (West Valley Developers, Inc.), and upon the formation of such Association, every owner in the Subdivision (meaning a lot sold by the Developer to a builder or owner), shall become a member therein and each owner shall be entitled to one (1) vote on each matter submitted to a vote of members for each lot owned by the person, persons or it. Furthermore, when more than one person holds an ownership interest in any lot within the Subdivision, all persons holding such ownership interest shall be members of the Association and in such event the vote for such lot shall be exercised as said owners among themselves determine, but in no

event shall the voting rights attached to such lot be greater than one vote per lot. Where a vote is cast by one of two or more owners of any lot, the Association shall not be obligated to look to the authority of the member casting the vote.

2. The Association shall have the following powers and rights:

- a) to enforce all provisions and all regulations which the Association may promulgate with respect to any and all of the common areas;
- b) to collect assessments and disburse and dispose of funds as herein provided;
- c) to prepare or cause to be prepared, on an annual basis, estimated budgets and determinations of the method of payment of assessments for the upcoming year;
- d) to keep a full and correct set of books of account, and to make said books of account available for inspection by any lot owner or lot owner's representative at reasonable times during normal business hours;
- e) to prepare annual financial statements;
- f) to improve, maintain, alter, repair, remove and replace any and all signs and other facilities within the common areas;
- g) to provide lighting, sweeping, cleaning, trash pickup, grass cutting, landscaping installation, maintenance and repair and other similar services within the common areas;
- h) to contract for the management and maintenance of any of the common areas;

- i) to take other such actions as may be reasonably necessary to carry out the powers and rights set forth in this Section 2;
- j) to pay all real estate taxes and installments of assessments with respect to the common areas;
- k) to pay all expenses associated with electrical, water, sewer, fuel or other utility services to the common areas; and
- l) to maintain all necessary fire, property and public liability insurance with respect to the common areas.

3. Each member of the Association, in common with all other members, shall have the right to use the common areas for all purposes incident to the use and occupancy of its development site and shall have a non-exclusive easement together with the other owners of development sites to the use and enjoyment of the common areas. All members of the Association shall use the common areas in such manner as will not restrict, impede or interfere with the use thereof by other members, and their respective tenants, visitors, guests, invites and licensees.

4. The Association, by vote in person or by written proxy of two-thirds (2/3) of its members, may adopt reasonable rules and regulations, as it may deem advisable, for the maintenance, conservation and beautification of the Subdivision and for the health, comfort, safety and general welfare of residents of the Subdivision and all parts of the Subdivision shall, at all times, be maintained subject to such rules and regulations.

5. The annual assessments of the Association may be increased, decreased or adjusted from year to year by the Association as the interests of the lot owners may, in its judgement, require; provided however, that until December 31, 2004, the maximum annual assessment for any lot shall be \$40.00; provided further, that from and after December 31, 2004, the maximum annual assessment for each year on any lot shall not exceed twenty-five (25%) percent of the maximum annual assessment for the previous year. The initial annual assessment will be collected at the lot closing and it shall not be pro-rated.

6. Consistent with the powers and rights of the Association under Section 2 hereof, the annual assessments of the Association shall be applied only toward payment of the following costs and expenses:

- a) the improvement, maintenance, alteration and removal of all lands, easements, facilities, buildings, structures, and improvements which comprise the common areas, and including the employment of personnel to maintain, guard and police the same, and the provision of lighting, sweeping, cleaning, trash pick-up, landscaping and other similar services within the common areas;
- b) all taxes, assessments, fees, and other charges that may be levied or assessed by any governmental body against the common areas;
- c) reasonable costs and expenses of collecting assessments provided for under this Article, maintaining and managing the Association, obtaining and providing necessary insurance coverage, establishing and maintaining a contingency reserve

for common area maintenance and improvements, and any and all other costs and expenses which the Association may determine from time to time to be for the general benefit and in the best interest of the owners of lots within Ironwood, and

d) all other costs and expenses reasonably related to the carrying out of powers, rights and duties of the Association.

7. Each lot within the Subdivision shall be subject to a yearly assessment in such amount as may be annually determined by the Association, subject to the maximum assessments stated in Section 5 above. The amount of such assessment shall be based on each lot's pro-rata share of the Association's operating budget. The assessment for each calendar year shall be determined by the Association prior to the end of the preceding calendar year and shall be payable to the Association on or before the first day of May of each calendar year for such year. The Association shall have a perpetual lien upon the lots in the Subdivision to secure the payment of the annual assessment and each such assessment shall also be the personal obligation of the owner or owners of each lot at the time when the assessment falls due. In the event any annual assessments are not paid when due, the Association may, when and as often as such delinquencies occur, proceed by process of law to collect the amount then due (including its costs and expenses of said collection, and attorney fees) by foreclosure of the above-described lien, or otherwise. No owner may waive or otherwise escape liability for the annual assessments by non-use of the common areas or by abandonment of a lot. The sale or transfer of any development site shall not affect the assessment lien or relieve any site from liability for any

assessment thereafter becoming due or from the lien thereof, however, the sale or transfer of any lot pursuant to foreclosure of a first mortgage shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. Upon further expansion past Plat Four, notwithstanding anything to the contrary contained herein, under no circumstances shall the original Plat Developer be liable or charged any assessment on any lot owned by it prior to resale of such lot by the Developer to a private owner or builder. In the event of a failure to make payment of the annual assessment within sixty (60) days of its due date, the lien for said charge may be recorded by filing in the office of the Wood County Recorder's Office a "Notice of Lien" in substantially the following form:

ARTICLE IV

Easements

1. The Association reserves to itself, and to its assignees, the exclusive right to grant consents, easements and rights-of-way for the construction, operation, and maintenance and

replacement of electric light, natural gas transmission, cable television, telephone and telegraph poles, wires and conduits, including underground facilities and for drainage and storm and sanitary and facilities on, over, below or under all of the areas designated as "Easement", "Utility Easement", "Drainage Easement", or with words of similar import, on the Plats of Ironwood and along and upon all highways now existing or hereafter established and abutting all the lots in Ironwood. No structures, or any part thereof, shall be erected or maintained over or upon any part of the areas designated in the Subdivision as "Easement", "Utility Easement", "Drainage Easement", or with words of similar import, upon the Plat of Ironwood. The term "structures", as used in the foregoing portion of this Declaration, shall include those structures in the nature of houses, garages, and swimming pools, but shall not include lot improvements such as driveways, fences, hedges, sidewalks and other non-structural items. No owner of any lot in Ironwood will have the right to reserve or grant any consents, easements, or rights-of-way on or over any of the lots in Ironwood without the prior written consent of the Association or its assignees.

2. The Association reserves to itself the exclusive right to extend any of the public rights-of-way or private places shown on the Plat to any adjacent property or additional property

that may be made a subsequent plat or plats by the Developer as an extension of the Subdivision in accordance with local ordinances.

ARTICLE V

Other Matters

1. Invalidation of any of the restrictions and covenants contained herein by judgement or court order or amendment hereof by act of the owner of lots in Ironwood shall not affect any of the other provisions contained in this Declaration of Restrictions, which shall remain in full force and effect.

2. A notice required to be sent to any owner of a lot in Ironwood, or to the Association, the Architectural Control Committee or to a Developer, shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as such owner, or to any officer of the Association, or to any member of the Architectural Control Committee or to the Developer, as such address appears on the applicable public records or on the records of the Architectural Control Committee or in the minutes of the Association.

3. The rights, privileges and powers granted by this Declaration to, and/or reserved by, the Association or Developer, shall be assignable and shall inure to the benefit of the Association.

4. Each lot owner, by acceptance of the deed to a lot in Ironwood, agrees and consents and shall be deemed to agree and consent that if, in the opinion of the Association, the shape of, dimensions, number of structures or topography of the lot upon which a building or improvement is proposed to be made, is such that a strict construction or enforcement of the building lines as shown on the plat of Ironwood, or of the yard requirements stated herein or of any other provisions of this Declaration would work a hardship; the Association may, in writing, modify this Declaration, as to such lot, so as to permit the erection of such building or the making of the proposed improvement. The Association shall not be limited in its exercise of its aforesaid right to modify this Declaration by reason of the fact that it may be the owner and/or builder for whose benefit such modification is granted.

5. In the event of a material change in conditions or circumstance from those existing at the time this Declaration is adopted which would cause the enforcement of this Declaration to become a hardship upon any of the owners of lots in Ironwood, or which would cause such restrictions and covenants of this Declaration to cease being beneficial to the owners of such lots, the Association, after giving written notice given by ordinary U.S. mail to the fee owners of all lots in Ironwood and after receiving the written approval of the holders of the record fee title to two-thirds (2/3) or more of the lots in the Subdivision, may modify this Declaration so as to remove the hardship, or make the restrictions and covenants so as to be beneficial to all lot owners. The provisions of this Section 5 shall not be construed as a limitation upon the right of

the Association, to modify the provisions of this Declaration of Restrictions as provided herein, nor shall it limit the provisions of Article V hereof.

ARTICLE VI

Duration of Restrictions, Amendments

1. Each grantee of the Association, by the acceptance of the deed to a lot in Ironwood, accepts the same subject to all restrictions, conditions, covenants, reservations, easements, and the jurisdictional rights and powers of the Association, created or reserved by this Declaration of Restrictions or by Subdivision or deed restrictions heretofore recorded and all easements, rights, benefits and privileges of every character hereby granted, created, or reserved or declared and all impositions and obligations hereby imposed, shall run with the land and bind every owner of any interest therein and inure to the benefit of such owner, in like manner, as though the provisions of this Declaration were recited and stipulated at length in each and every Deed of Conveyance. The violation of any restriction or condition, or the breach of covenant or provision herein contained shall give the Association, or its agents, the right (a) to enter upon the lot or lots upon which or as to which, such violation or breach exists and to summarily abate and remove, at the expense of owner of said lot or lots any structure, thing or addition that may exist thereon contrary to the intent and meaning of the provision hereof, and Developer, or its successors and assigns, or the Association, or its agents, shall not thereby be deemed guilty of any manner of

trespass; or (b) to enjoin, abate, or remedy by appropriate legal proceedings, either in law or equity, the continuance of any breach.

2. All restrictions, covenants, conditions, agreements and other provisions herein contained shall be deemed subject to and subordinate to all mortgages or deeds of trust in the nature of a mortgage now or hereafter encumbering any lot or all or any portion of the Subdivision, and none of said restrictions, covenants, conditions or agreements or other provisions shall supersede or in any way reduce the security or affect the validity of any such mortgage or deed of trust in the nature of a mortgage. It is distinctly understood and agreed, however, that if any portion of said premises is acquired in lieu of foreclosure, or is sold under foreclosure of any mortgage or under any judicial sale, any purchaser at said sale and the executors, administrators, personal representatives, successors and assigns of such purchaser, shall hold said lot or portion of the Subdivision so purchased or acquired subject to all of the restrictions, covenants, conditions, agreements and other provisions of this Declaration.

3. This Declaration shall run with the land and shall be binding upon the Association, and all persons claiming under or through them, all other parties who acquire title to any lots (or parts thereof) within the Subdivision, and all other persons claiming ownership, possession or use of the Subdivision or any portion thereof, until December 31, 2030, at which time this Declaration shall automatically be extended for successive periods often (10) years.

4. This Declaration may be amended as provided for in Article V, Section 5, or with the written approval of the then owners of not less than two-thirds (2/3) of the lots in the

Subdivision, which Amendment shall become effective from the day after filling in the Recorder's Office of Wood County, Ohio in an instrument stating the amendment and signed by all approving lot owners with the formalities required by law.

IN WITNESS WHEREOF, the Association, acting by and through its duly authorized officer, has caused this Declaration to be executed as of this 20th day of September, 2021.
